

## WELCOME TO CHT

CHT is a leading provider of residential aged care with a proud history of taking great care of older people in rest homes, hospitals and dementia care units in Auckland, Waikato and the Bay of Plenty.

CHT was established in 1962, then known as Christian Healthcare Trust, as an independent healthcare trust. With no other demands on funds, CHT continually reinvests all surpluses back into facilities and services and holds an enviable reputation as having innovative, high quality facilities.

Staff in every location are fully committed to supporting residents to retain the highest possible level of personal dignity, integrity and independence with a balance between independence and support, company and privacy.
