Winter 2018

Welcome to our Winter newsletter. We hope you are managing to keep warm in these colder months.

Activities and Celebrations

We continue with our regular theme days with decorations, a celebration meal and music. In recent months we have had ANZAC Day, Mother's Day, The Royal Wedding, Queen's Birthday and our Winter theme day.

Margaret and Wim entertained us for our Mother's Day celebration.

For the Royal wedding we had a photo board of staff and residents' wedding photos. It was great fun trying to work out who was who.

Outings and Entertainment

Some of our concerts have been put on hold during the colder months, but we still have a group that plays bowls once a month. They were very happy to have won their last game.

The weekly drive on a Thursday with Go Bus remains popular, recent trips have been to Pukehina, Wai Tui Bay, Matata and Thornton Beach, Tauranga and Welcome Bay and Kulim Park.

We continue to attend a church service one Sunday a month at the Otamarkau Marae.

Birthdays

Resident birthdays continue to be celebrated with a cake and a small gift.

Lesley

Staff News

Welcome to Christine, our new Registered Nurse working morning shift Monday to Friday, and to Harjeet and Sarajit, new Healthcare assistants. We are sure you will make them feel welcome. We are still in touch with Sue who loves the colder climate in Invercargill.

A Focus on Care

Resident/family meetings are held every three months. We welcome feedback and the opportunity to improve our service. Our next scheduled meeting is on Thursday the 13th of September 2018. If you are unable to attend please feel free to email me any concerns or suggestions and I will include them in the agenda.

We apologise for any inconvenience caused during the refurbishment of the ensuite bathrooms in the downstairs wing and some of the upstairs wing. We hope that the residents are enjoying the fresh new look.

We do have plans to paint the reception area, lounge and corridor to the side wing in the next few months and apologise in advance of any inconvenience it will cause.
