Winter 2018

Welcome to CHT St Christophers' winter newsletter for 2018. A warm welcome to all our new residents and their families.

Activities and Celebrations

Five members of the Papatoetoe Probus Club joined us for morning tea on the 23rd of March in recognition of ANZAC Day and to reminisce with residents. Club members and our residents talked about what women and family did during war time.

Our weekend activities coordinator Carmelite organised activities to celebrate the Royal wedding in May and a group of ladies joined in to make a beautiful cake with Carmelite. Residents were also invited to dress nicely for high tea together.

Pet Therapy visited in June and we received lots of positive feedback from residents. Some of our residents love animals and had a lovely time with these cute animals, most of them had a chance to hold a rabbit in their arms.

A Focus on Care

We appreciate receiving feedback from you to improve our service, thank you to residents and families who have completed their monthly Resident Survey. Our next residents meeting is on 1 August 2018.

Staff News

Welcome to Robyn who recently joined us and we have said farewell to Gagan and Taofi.

Two staff, Leone and Tuini, are currently studying Careerforce Health and Wellbeing level 3.

Volunteers

Volunteer Jesse Gao left at the end of June to begin full time work in July. Thank you to Jesse for coming here every Friday to help residents with their activities. We wish him all the best.

We are looking for volunteers who are mature and like to help elders in their free time.

Upcoming Events

September: 13th - 60s theme day celebration.
Pet Therapy is booked in September.

October: Residents and staff cultural day celebration, date to be confirmed.
