Winter 2018

A warm welcome to new residents who have joined our community at CHT Waiuku.

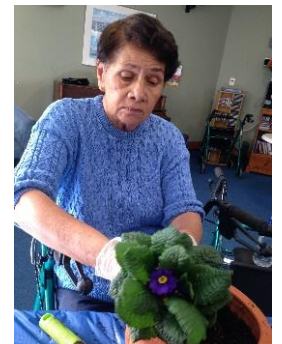

Activities and Celebrations

The Royal Wedding in May was celebrated with an afternoon tea and musical entertainment by Lil and Neil.

Residents dressed for the occasion wearing their hat of choice. Thank you to families who attended and to Bruce and Sandy who demonstrated their dancing skills. A fun afternoon was enjoyed by all.

The Gardening Club takes place monthly. Everyone is enjoying the colourful display of potted plants on the tables in the courtyard. Some residents have requested potted colour to be placed outside their patio door. Ronel from Activities is working with residents to facilitate this.

In the evenings residents have started a book club where they share and discuss books they have read. A group membership has commenced with Waiuku Library and volunteers will deliver the books to the facility. Please advise staff if you wish to partake of library books. Residents also enjoy making jigsaws, playing cards and scrabble with some being very competitive.
