Summer 2018

It's almost summer and we would like to extend a very warm welcome to everyone.

Activities and Celebrations

The Residents have made the most of Spring and now the gardens are literally bearing the fruits of their labour.

Rene, our chef, used the first bunch of Silverbeet and made a treat spinach/silverbeet and feta cheese roll for the residents.

The "Knitwits" knitting group has been extremely busy and they recently took a whole lot of CHT Bernadette hand knitted baby clothing to Tauranga Hospital and Plunket. Here they are packing the gorgeous tiny items up. I'm sure the recipients will be very appreciative. Ladies, we thank you for your time and dedication. Such beautiful work.

Tuesdays have become the regular day for outings and shopping.

Please keep in mind that we are happy to keep some funds in the safe for residents' convenience.

A special Remembrance Day was celebrated on the 5th of November for residents passed, family and friends.

The residents laid rose petals in remembrance of those they had lost

New Residents

A warm welcome to our new residents: Claude, Anna, Dorothy and Alison. We hope you'll be very happy with us.

Visitors to the Facility

What a lovely surprise it was for our resident, Laura, her sister from England (whom she hasn't seen for 19 years) came to visit her. It was a lovely reunion and time to catch up.

Relocation of Laundry

The CHT laundry has been relocated to Tauriko and they started operating from there on the 7th of November. They will be working seven days a week to keep us in clean linen and clothing.

Redevelopment of CHT Bernadette

Thank you for your patience in supporting us to get this project underway. I have attached the special newsletter about the redevelopment that was sent out a few weeks ago just in case you did not receive one. We look forward to your feedback and ongoing discussion about this.

Staff

Congratulations to our RN Gianella who got married on the 20th of October.
