HAERE MAI, NAMASTE, NI HAO, HOLA! A Warm WELCOME to the new Residents and Family.

Protect Our Asset

Lansdowne's exterior will be repainted, this will commence from December.

Health and Safety

CHT takes practicable steps to ensure the safety of staff and residents. As part of the requirement, we have completed six monthly Moving and Handling training on 8 November 2018. A refresher course is also offered for current staff in between. Newly inducted staff will receive Moving and Handling training within the first week of induction and will work along with a Moving and Handling Champion.

Develop Knowledge and Skills

CHT has introduced Altura online training and all Staff have access. We will soon be transmitting instructions for access using smartphones.

Staff and residents had a costume contest for **All Hollows Eve**, Mrs Concepcion (resident) and Epi (staff) were declared as the best dressed.
