

WINTER 2019

Welcome

After one of the driest summers in history, we are lucky to have plenty of rain. We have been very busy. I would like to extend a warm welcome to my new residents. We hope you will settle in quickly.

Please remember we have an open-door policy so feel free to come and see me anytime.

We aim to create a place where people love to work and where our residents love to live. As you would have seen, we have new registered nurses and in the next few months you will be seeing new faces as we are recruiting more staff to cover staff going on leave or maternity leave.

We are delighted with the improvement in the lighting of the facility. Our property team has replaced all the old light fittings in the lounges and hallways with modern LED light and it has brightened up the facility. We also replaced carpets in rooms where they were worn. CHT, being an Independent Trust, is putting money back in their facilities and aim to maintain and improve current facilities

Activities and Celebrations

May, June, July

Mother's Day was celebrated on the 10th of May. The activities team and residents reminisced and made a big card that meant something to every individual.

We thank our kitchen manager and cook Paddi for the cake she prepared for the nurses on International Nurses Day. The residents also joined in for the celebration.

Doris turned 100 on the Queen's Birthday so it became a royal affair

Chris Bligh entertained and it was entertaining. Staff and residents joined in with the singing and dancing

Little Buzz is getting to know the residents

Staff celebrated milestones reached
