## Winter 2019

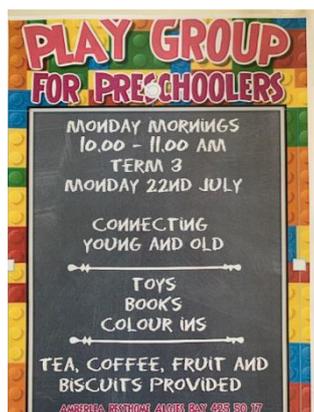

Kia Ora and a warm welcome to all our new residents and their family members, we are delighted to have you all as part of the CHT Amberlea family.

### Activities and Celebrations

The Mother and Baby Group runs every Monday morning. Bridging the generation gap and including Amberlea in the activities of the community is very important to us.

How wonderful to see the residents and young mothers and fathers sharing the joys and difficulties of raising a young family both now and then.

Please if you have pre-school children or grandchildren come along and make new friends both young and old. A cup of tea and a biscuit is always available.

Our celebration of the decades has been a huge success with entertainment and quizzes related to the era really taking the residents down memory lane.

We have a fantastic team who all dress up to make the day an enjoyable occasion. Please check out our photo boards in the corridor, we are completing one for each decade.

### Staff News

A warm welcome to Cathy Morris our new Clinical Coordinator. Cathy is an experienced Registered Nurse and has relocated from her previous position in Whangarei to be with us. Please take the time to introduce yourself when you are passing.

### Focus on Care

Our Certification Audit is now complete and we are always very proud of the care we provide and the dedication of our wonderful staff. We have been examining the infections from the previous year and implementing indicatives to reduce the risk of common infections in the winter months, including Upper respiratory infections and urinary tract infections. We have seen a drop of over 50% in both from this time last year. All credit to the team for early identification and prompt actions.

### Renovations

As you are all aware we have started our renovations, please let me know if you are not receiving the bulletins. Our first five rooms are ready and we will be completing two rooms every two weeks. If you have any concerns or would like to view the work so far, please come and see me I will be only too happy to help.

Here are some photos of the work to date.

Stay warm and please always feel welcome to join us in any of the activities advertised.
