## Winter 2019

### Welcome

Kia Ora! A warm welcome to the coldest season of the year!

### Focus on Care

Our main focus in CHT Peacehaven is the residents and ensuring we continue to deliver the best quality of care. This time, we will share the story of our resident George's experiences with us.

Prior to admission into our care, our dear George was living with his wife Dorothy in a retirement villages. But when his health condition changed and required a higher level of care, his GP highly recommended Peacehaven.

George has now been staying with us for 2½ years and loves living with his Peacehaven family. He feels safe and secure with his new living environment and above all because of the genuine care of the wonderful staff. All his medical requirements are always met and we can see a significant improvement in his quality of life at present, how his well-being has bounced back compared to when he was new with us.

George and beloved wife Dorothy, who visits him every day are very much involved with Peacehaven and every week both enjoy joining bus trips. This lovely couple are very popular to the community and both of them are strong advocates for us. It is our pleasure looking after George and we support him to have a meaningful life.

Recently, we just celebrated their 65<sup>th</sup> Wedding Anniversary!

### Staff News

We are delighted to welcome our new RN Glez. She is from CHT Amberlea and we are very fortunate that Glez joined our team.

We also bid farewell to our lovely RN Priscilla, she and her family are relocating to Australia. We wish you all the best and thank you for your contribution to CHT Peacehaven.

### Housekeeping and Highlights

To our visitors, if you have colds and flu please let us know or avoid coming to the facility until you are cleared for the health and safety of everyone.

If you have any questions, concerns or compliments, please feel free to contact me.

Best wishes
