WINTER 2019

It is hard to believe we are already half way through another year and we are experiencing many changes in our weather through the winter months. On the bright side we have passed the shortest day and are one step closer to some warmer days ahead.

A warm welcome to all our new residents and families who have joined us here at CHT Acacia Park, I trust you all have settled in well and enjoy "Our Sense of Home".

Activities and Celebrations

- Our weekly Go Bus trips are very popular with many of our residents
- Friendships continue to grow with our residents
- Birthdays are always well celebrated at the facility

Weekly Bus Trip

Friendship

Vicky's Birthday

Focus on Care

Please feel free to voice any concerns or suggestions with the manager and they can be addressed accordingly. All families are welcome to attend our quarterly resident meetings and voice any concerns or compliments. I have been posting regular updates with regard to our new build and will continue to keep you all informed of progress.

Unit News

We had our certification audit on the 2nd and 3rd of July and attained a 100% pass. A huge thank you to all staff who worked hard to achieve a fantastic result and to the residents and families who gave such positive feedback.

Redevelopment Progress

What an exciting time for all of us here at CHT Acacia Park. Watching Stage 1 of the rebuild taking shape before our eyes has been terrific and is a big talking point for our residents. Stage 1 is due to be completed by mid-November this year. Please feel free to stop in and view our plans and/or attend a residents meeting for an update with the project manager.

I would like to take this opportunity to thank all of the dedicated staff at CHT Acacia Park for their hard work. It would not be the special place it is without the love and compassion you continually show towards all our residents.
