CELEBRATIONS

We celebrated many birthdays in October with Rex achieving 99 years on the 16th October.

International Day of the Older Person was acknowledged with all residents receiving a bookmark 'You are Special'

ACTIVITIES

The facility came alive with the visit from the African drummers. Many extra drums were provided for residents to participate and feel the beat. Residents look forward to a repeat visit in December.

The Men's Club will be reconvening. Thanks to Dave for considering this role and agreeing to facilitate the club. Dave will be familiar too many as he has been a regular visitor to the facility over the past 18 months.

GARDENS.

The many gardens and courtyards are very colourful with spring/summer blooms. The strawberries and vegetables are growing beautifully outside Bayview lounge.

Margaret and her friends lovingly care for this area. The courtyard outside Harbour View lounge is a mass of colourful pots and containers.

A Big thank you to the Cornerstone Church volunteers who assist in keeping this area beautiful.
