

Lovely Lola, ready for Christmas!

Summer 2019

Kia Ora and a warm welcome to everyone

Christmas will soon be upon us and preparations at Amberlea are well underway. I hope we see everyone at the Christmas lunch, which will be held on 3 December this year. There will be a lot of entertainment to be enjoyed with food and drinks.

I am sure it will be an occasion to remember.

Please join us.

This year, once again we will be collecting our shoebox gifts for the elderly in the community, who may not receive any other gift this Christmas. Thank you for your donations.

Some of our fantastic team members who always dress up, to make our theme days more enjoyable. Suzee, Sarah and Penny in bright 1990's wear... (Please check out the photo boards in the halls and corridors, we have one for every decade we have covered).

Feedback from residents' suggest that the staff joining in really brightens their day.

Renovations in Kawau and Martin's Bay are nearly complete. Just the main corridor needs to be carpeted. The rooms look lovely, they look lighter than before, and the general impression is that our residents appreciate them.

The main dining room is complete with new lights, new carpet and very soon new tables too. Next on the agenda are bathrooms in Omaha, which probably would be upgraded and finished before Christmas, but after the party.

I would like to thank everyone, staff, residents, families, and the trade's people for their patience and cooperation. A great team effort. Thankyou.

Homemade Christmas decorations held aloft by Irene.

The trees have been decorated with the help of residents and families and they look lovely.

Thankyou Kerry for your kindness in donating new decorations for us to enjoy in the downstairs lounge.

Irene

Richard with a shoebox present

Please come and see me if there is any matter you would like to discuss.
We wish you all a Merry Christmas and a very Happy New Year.
