## Summer 2019

### Welcome

As they say, every summer has a story and we believe our summer ends with great memories.

### Activities and Celebration

Enjoying the scenery of Western Spring

Daily activities are a limelight of our residents' everyday lives. They enjoy both indoor and outdoor activities. We celebrated the cultural day, the 1970's and 1980's theme day and the International day of the Older Person. The residents were awarded gold medals for their achievements over the years.

### Staff news

We are still recruiting registered nurses and healthcare assistants to join our team as one of our RN is currently on maternity leave. There are also number of staff are going on maternity leave and one staff member will be on her CAP course soon to become a registered nurse.

### Focus on Care

Robert is our great supporter from the community. His mum was with us in the past. He is very consistent in his visits to Peacehaven and he devotes some of his time to our residents. We really appreciate his kindness towards our residents and the staff. He is very generous and gets Christmas decorations for our facility.

If you have any questions, concerns or compliments, please feel free to contact me.

Best wishes
