Summer 2019

Summer is almost upon us again and we would like to take this opportunity to welcome all our new residents and families to our quarterly newsletter.

Activities and Celebrations:

We have celebrated a number of theme days over the last few months and these have proven to be popular in ensuring our residents enjoy current and upcoming events.

- We went "Pink for a Day" to support Breast Cancer and had a pink morning tea which was enjoyed by residents and staff.
- Weekly entertainment from a variety of entertainers is very popular with our residents.

Birthdays

We celebrated a very special 105th birthday with resident Rose Jacob. Wow what an incredible milestone! Rose's secret to longevity is "blueberries everyday"

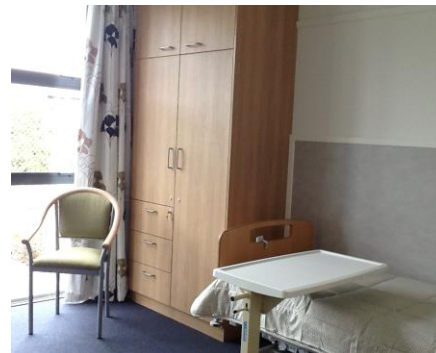

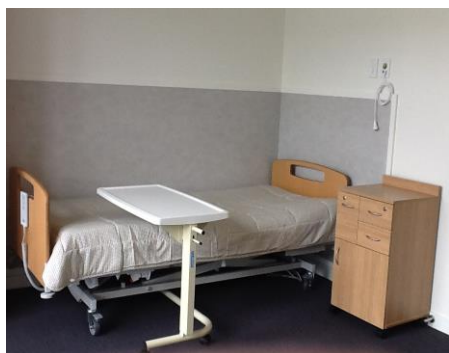

Staff News

We said goodbye to our receptionist Val and we wish her well for her future. We have welcomed Elena into the reception role and Adrienne into the Activities Coordinator role.

Milestones

Stage 1 of our rebuild is now complete and we are moving the first lot of residents. A very exciting time for our residents, families and staff to be a part of this amazing experience.

Upcoming Events

- Resident's and families Christmas lunch – 11th December 11:30 – 2pm. We will have some great entertainment on the day and hope many of our families can come.
- Commencement of Stage 2 of redevelopment has started and will continue through to October 2020....very exciting!

Lastly, I would like to take this opportunity to wish all our staff, residents and their families, Merry Christmas and a prosperous 2020. To all CHT staff please accept a big thank you for all your hard work and commitment that you continually show to CHT and our special residents.
